HIGHLIGHTS OF TRAINER'S PROFILE

Ivan is a natural when it comes to training given his 30 years' experience in the corporate world coupled with his passion to help people grow professionally and personally. Ivan's greatest talent is being able to bring out the best in people - he is highly people orientated and is able to communicate effortlessly with people from all backgrounds, irregardless of age and position in life! As the former CEO of Malaysia's largest loyalty programme, BonusLink. Ivan understands the challenges of top management and how to gain the trust and support the company's greatest asset...its people! He has since used his know-how and people skills into helping others improve their organizations through training, which Ivan has been successfully doing for 15 years now.
